**HAPPY  
NEW  
YEAR**

## Our Week!

HAPPY NEW YEAR! I hope you all enjoyed your holiday break with your families. I was so excited to see the kids after such a long break! I hope you also stayed nice and warm during our unexpected "cold" day! ☺

I am definitely noticing the students' growth this time of year as they are becoming much more independent at many tasks. This week we began talking about changes we notice during the winter season and how animals have to adapt, migrate, or hibernate during this time. We will go into more detail on what animals do in the winter in a couple of weeks! In math we began our unit in measurement and measured our own shoes with cubes! We also discussed what a goal is and made our own New Year goals! ☺

Today was Toy Day and the kids had a blast showing off their new gifts!  
Have a wonderful weekend! ☺

**SNACK**

Please try to remember to send your child with a snack every day. I usually keep a bag of pretzels or something else handy in case someone forgets but we are running low. Thank you! ☺  
If anyone is willing to donate snack to keep in the classroom we promise to eat it up! ☺
