

Kindergarten News from Miss Bower's Class November 1, 2013

Our Week!

I cannot believe it is already November!!! We had a great week with our fun Halloween centers on Wednesday and our party on Thursday. Thank you for taking the extra time to help your child with their costumes and all of the donations to make this day so special! The kids had a blast!

During Writer's Workshop we have been working extra hard at stretching out the words we want to write to hear **more** than just the beginning or ending sound. You may hear your child talk about "finger space buddies" or "Mr. Pointer". Finger spaces help us space out our writing and make it easy to read and Mr. Pointer helps us re-read our writing!

We learned more about pumpkins and performed a math and science experiment where the kiddos got to watch me cut one open and we predicted the number of seeds and what we would see inside! We also tested to see if our pumpkin would sink or float and measured our pumpkin with cubes! The kids loved this! ☺ Have a great weekend!

Homework

Trick or Treat
Math Homework!

November 25- Evening

Conferences

November 26- Morning

Conferences, NO SCHOOL

November 27-29- NO

SCHOOL

Save the Date!

On December 16th, at 1:45 in the afternoon, our class will be singing in a Holiday Program with 3 other kindergarten classes. More details and information will be given as the date gets closer! This is a very special event that I hope all can attend. Please mark this special occasion on your calendars! 😊

Happy Halloween! 😊
