Our Week!

We had such a BLAST on the 100th day of school! We listened to the story *Zero the Hero* with Mrs. Warren and Mrs. DiGiacco's classes. We even got a surprise visit from Zero the Hero himself!! The kids were so excited! Thank you to everyone who helped make our 100's Celebration so special!

This week we discussed dental health and why it's important to keep our teeth clean! We talked about all the things we can do to keep our teeth healthy, including brushing them two times a day! Sent home today was a chart to track when we brush our teeth! Please start this tomorrow, March 1. ☺

Have a wonderful weekend!
