Miss Bower's Class
February 7, 2014

Our Week!

This week we finished up our animals in winter unit by discussing what animals do to adapt in the winter. We discussed what we do to adapt in the winter time as we have to make many changes when the cold weather comes! Ask your child what happens to some rabbits' fur in the winter!

We continued our "how-to" writing unit and the kiddos are doing a great job with this! Many have written multiple how-to books!

In math we are starting to work with basic story problems and have introduced math symbols (+, -, =) and what they mean! We were also bummed to find out that Punxsutawney Phil saw his shadow and we are in for six more weeks of winter! Boo! ☹️

Have a wonderful weekend! 😊

Homework

Continue working on
your Hundred's Day
Assignment!
(Due Feb. 24th)

100!

Clifford is
going home
with,
Bianca!

Some of the Great Read Alouds from this Week!

The Snowglobe Family– *Jane O'Connor*

The Ten Grouchy Groundhogs– *Kathryn Heling*

Important Dates:

February 14– Valentine's Day Party!

February 17–21– NO SCHOOL!!

February 24th– Hundred's Day Celebration!

Valentine's Day

On February, 14th we will be celebrating Valentine's Day with a short party in the afternoon. If your child would like to pass out valentines to their friends they may do so as long as they have one for each child. I also sent a class list home for you in your child's folder!
