Miss Bower's Class  
April 11, 2014

## Our Week!

This week we dove deeper into our unit on 3D shapes! We created a class chart of the different 3D shapes we know and what real world objects fit into each category. Monday after break, we will use our own 3D shapes to do a sorting activity! We will start to move into story problems and will focus on adding and subtracting.

We did some creative writing activities this week. We pretended that we were applying to be the Easter Bunny! We also used a graphic organizer to complete a short writing piece about bunnies that we made! They worked very hard on these pieces and I was very proud of them!

I hope you all have a wonderful week! Happy Easter! ☺
