Our Week!

Happy April! Let's hope the warmer weather is here to stay! ☺
On Monday, the kiddos came into school to find that their teddy bears had gotten into some trouble! They were so surprised and excited to see that some were on the computer, reading books, and one had even gotten into our candy jar! Go to the picture section of our website to see what happened!

In math, we spent a lot of time discussing 2-dimensional shapes and their characteristics. We worked on identifying shapes correctly and describing their properties (sides, corners, etc.) We began 3-dimensional shapes and will continue this next week! In writing, we will move on to our persuasive writing unit. We have discussed how writing can be used to make the world better. We see a problem, we think about how we can fix it, and we write about it!! Have a wonderful weekend! ☺

Homework

- 2D Shape Hunt
- Bring in a 3D object from home

Please see the papers
in your child's folder

Clifford is
going home
with,
McKayla!

Some of the Great Read Alouds from this Week!

Matzan– Napkins

Farrell–Jelly Beans

Brunson– Plates

Bausch– Jelly Beans

Farrell– Cups

Zarpentine– Other

Underwood and Billings:

Juice

Recess

We are getting a little stir crazy and restless during playtime. Although we may be able to start getting outside to walk, the playground is not open yet. I told the kids that they could bring in games, crafts or puzzles from home, to play at recess time. Please, no electronics. Multiple player games would be great as we can work on turn taking and cooperation skills!
