Our Week!

This week we continued to learn about living and non-living things and started to connect it to plants. Next week, we will begin our plant unit and students will get to plant their own bean plant! ☺

In writing, we wrote about problems that we see in the school. We learned that we can write to make the world better! Students wrote about the problem, told **why** they think it's a problem, and offered a solution! They even wrote letters to the principal!

Important information has come home about our end of the year celebration and about our Kindergarten Field Day. Please look over this information and send things back to school as needed! The end of the year is a busy time and I appreciate your support! ☺

Book Fair

On May 21 from 1:45–2:15 our class will go to the Scholastic Book Fair. Books are buy one, get one free! If you would like to come help your child pick out appropriate books you are more than welcome to! Parents must sign in at the front desk and meet us at the book fair. If you are not able to attend but would like your child to purchase books, please send in money in an envelope with your child.

We learned the *-et* sight word family this week! Ask your child to tell you these words!
