Our Week!

Happy May! This rain can go away anytime now... ☹️
We had a very busy week! We began our weather unit this week and students tracked the weather in their own journal every single day. Next week we will continue this unit and talk about different kinds of weather.

In math, we continue to work on story problems. We learned that it is very important to show our work and explain our thinking because there are many different ways to solve a problem!

Next week in writing, we will continue our argumentative writing unit. We will discuss opinions and that we must give many reasons for having a specific opinion.

Have a wonderful weekend! 😊

Homework

Story Problems

- See papers in child's folder

Clifford is going home with, **Lauren!**

Some of the Great Read Alouds from this Week!

Cloudy with a Chance of Meatballs– *Judi Barrett*

Little Cloud– *Eric Carle*

The Magic School Bus Kicks Up a Storm– *Nancy White*

Important Dates:

May 7– Visit to the Fire Safety House—Permission Slip must be returned before this date!

May 14– Library Day

May 23– Half Day

June 11 – Field Trip

We learned the *-ig* sight word family this week! Ask your child to tell you these words!

Field Trip

Please remember if you are interested in chaperoning our field trip in June, the form is due back Friday, May 9. I have more than 4 interested already so I will need to choose names from a hat. I will be doing it that afternoon in order to let the chosen parents know in advance!
