DISTRICT CALENDAR

Hilton Central
School District

*Maximizing the Potential
of the Individual Learner*

Greetings from the Superintendent

The Hilton Central Schools' success is directly connected to a dedicated and talented staff, active and strong parental involvement, and a supportive and generous community. As an award-winning school district with a tradition of excellence in education, Hilton strives to embrace continuous improvement. We are committed to providing a learning environment that responds to individual student needs and helps each become

a self-directed, life-long learner who functions as a caring, responsible and productive citizen as cited in the District's Mission Statement. Our work is guided by research and the belief that every student is capable of attaining high levels of educational achievement in preparation for citizenship in a global society.

We believe in the unlimited potential of our students by respecting and developing their unique learning profile, interests and abilities. We set challenging and demanding expectations for performance and support all students to achieve these high standards. Our work together requires teamwork and dedication. We believe in the value of collaboration and communication and the power of personal connections and relations between staff, students, parents and the community. I am fortunate to be part of a school community that approaches its work with optimism and a tremendous sense of pride.

The Hilton Central School District Calendar is not only a communication tool outlining important events and information, but also a reminder of all the things offered by the District to our school community. We hope you will join us at some of the events and activities identified in this publication.

In the words of John Bartlett, "The secret of success is constancy of purpose." I remain excited about the opportunities that lie ahead for our children and the District in the coming year.

Sincerely,

David Dimbleby
Superintendent

District Attendance Policy

According to NYS Law, children must attend school between the ages of six and 16 years-old. Absence from school for the following reasons are considered excusable: illness, death or illness in the family, medical appointments, impassable roads, religious observances, quarantine, an approved college visit, take-your-child-to-work-day, military obligations, required presence in court, remedial health treatment, approved cooperative work programs or other reason approved by Board of Education. Absences, tardiness or early departure are considered unexcused if they do not fall in one of the above categories. Unexcused absences include: family vacation, hunting, babysitting, hair cut, obtaining learner's permit, road test, oversleeping. Please inform the school prior to 9 am that morning if your child will be absent, and send a written excuse with your child when he or she returns to school stating the date and reason for the absence. After three days without an excuse, the student is declared illegally absent. If a student needs to be excused from school early, please write an excuse. In grades K-6, the student should present the excuse to the classroom teacher, and in grades 7-8, to the school nurse.

Attendance calls for absent students are conducted through an automated system. Each day at approximately 10:30 am, parents are notified by phone.

High School Attendance Policy

Absence: Parents are responsible for calling the Attendance Office when their child is absent at 585-392-1000 ext. 2246. Voice mail is available 24 hours a day. Please follow up your phone call with a note. Excused absence is defined as: sickness, medical appointment, court, funeral, college visit. Unverified absences are unexcused. Teachers do not have to let students make up work for unexcused absences. Notify the Attendance Office of extended absences such as vacations or surgery.

Early Dismissal for Appointments: Contact must be made between parent/guardian and the Attendance Office before a student may be dismissed from school. Students should bring a note to the Attendance Office before school begins to get a pass to leave. They can then sign out at the appointed time and meet their ride at the front of the school. Parents can make arrangements to pick up their child by calling the Attendance Office. If a student feels ill and wants to go home early, he/she should go to the Nurse or Attendance Office to call home.

Tardies (Late): Students who arrive after 7:25 am are tardy to school and must sign in. Students with a note for being sick, at a doctor or dentist appointment, or other excused reason will not be penalized for tardiness.

Annual Notifications

Access to Student Records and Directory Information governed by FERPA [Family Educational Rights and Privacy Act]

A parent, guardian, or student over the age of 18 has access to the school records according to federal law, Family Educational Rights and Privacy Act of 1974 (FERPA). Any records maintained by a school district as part of the official record are available for review by the parent or the student after age 18. The law also controls sharing of pupil records with third party individuals or agencies.

Directory Information

The District may release directory information (student name/address/phone; date/place of birth; grade level; participation in officially-recognized sports; height and weight of athletic team members; dates of attendance; major field of study, degree, honors and awards received; school related photographs; agency/school previously attended) about a student without student or parental consent in certain circumstances. Directory information is information about the student that would generally not be considered harmful or an invasion of privacy if disclosed. At the discretion of the District, directory information may be disclosed in the case of sports or performing arts programs, news releases or in connection with educational or extra-curricular activities or events. Release of directory information is not permitted if such information is to be used for solicitation, fundraising, political or commercial purposes. The District publishes this annual notice in the District Calendar which is mailed to all students' homes. If a parent, guardian or eligible student does not wish to have some or all of the directory information described above released without prior consent, he or she must, in writing, contact the Hilton Central School District, Census Office, 225 West Ave., Hilton, NY 14468 or the school's principal within 30 days after publication of this notice.

Use of Surveillance Cameras in School District

Policy 5634 regulates the use of video surveillance cameras in school buildings, on school grounds and on school buses in locations approved by the Superintendent, but not in bathrooms, locker rooms or changing rooms. All recordings are sole property of the District.

Child Nutritional Programs

The Hilton Central School District participates in the National School Lunch Program (NSLP), a federally-assisted meal program providing nutritionally balanced, low-cost or free lunches to children each school day. Further information and applications for the "Free/Reduced Price Meals Program" are online at www.hilton.k12.ny.us. Applications are returned to Hilton Food Service, 400 East Avenue, Hilton, NY 14468. Food Service purchases apples for use in the Child Nutrition Program from local growers. For information: 585-392-1000, ext. 2152.

Code of Conduct

The Safe School Against Violence in Education (SAVE) and Section 100.2[1] of the Regulations of the Commissioner of Education require that each school district adopt a written policy on school conduct and discipline. The Code of Conduct is available on the Hilton District website at www.hilton.k12.ny.us and at every school's main office. The Code of Conduct applies to all students, school personnel, parents and other visitors when on school property or attending any school function.

Asbestos Compliance Report Available

The District maintains Management Plans for each school building as well as the AHERA Reinspection of the District which are available for inspection upon request to the Buildings & Grounds Office at 585-392-1000, ext. 7065. Emergency Preparedness Written information about basic emergency response actions are communicated through schools in accordance with the NYS Commissioner of Education Regulation 155.13 Emergency Planning. Each school annually conducts sheltering or evacuation drills with notices in advance to parents and students. Fire Safety: The annual New York State Education Dept. Fire Safety Inspections of each building by the Fire Marshalls are shared with the fire district officials with all deficiencies cited in the inspection reports corrected. State-issued Certificates of Occupancy are on display in the main offices of each building. School Pesticide Neighbor Notification: In accordance with New York State Education Dept. Law, public schools must provide written notification 48 hrs. in advance of application if required. The District implements integrated pest management; pesticides are only applied upon express authorization of the District. For information: 585-392-1000, ext. 7065.

Parental Rights regarding Military Recruiters' Access to Information on HS Students

In compliance with Federal No Child Left Behind Act of 2001 and the National Defense Authorization Act, the District is permitted to disclose students' names, addresses and telephone listings to military recruiters. This disclosure is subject to a parent's written request NOT to disclose such information. If a parent wishes to opt out of the District's releasing directory information to military recruiters, or to any other third-party, they must give written notice within 30 days after publication of this notice to the Hilton Central School District, Census Office, 225 West Ave., Hilton, NY 14468 AND Hilton High School Registrar, 400 East Ave., Hilton, NY 14468.

Student Privacy

The Protection of Pupil Rights Amendment (PPRA) governs the administration to students of a survey, analysis or evaluation that concerns protected areas: political affiliations or beliefs of the student or the student's parent/guardian; mental or psychological problems of the student or the student's family; sexual behavior or attitudes; illegal, anti-social, self-incriminating, or demeaning behavior; critical appraisals of other individuals with whom respondents have close family relationships; legally-recognized privileged relationships such as those of lawyers, physicians, ministers; religious practices, affiliations, or beliefs of the student or student's parent/guardian; income other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program. PPRA also concerns marketing surveys and other areas of student privacy, parental access to information, and the administration of certain physical examinations to minors. The requirements of PPRA do not apply to a survey administered to a student in accordance with the Individuals with Disabilities Education Act (IDEA). The rights provided to parents/guardians under PPRA transfer from the parent/guardian to the student when the student turns 18 years old or is an emancipated minor under applicable state law. If a parent/guardian would like to opt-out of any of the above, they must contact the Hilton Central School District, Office of Student Services, 225 West Ave., Hilton, NY 14468 at 585-392-1000, ext. 6055.
